ADGA Duplicate Certificate Form

If a Certificate of Registry/Recordation has been lost or accidentally destroyed, a duplicate certificate may be obtained by completing this form and paying the duplicate certificate fee.

Loss by disaster for ADGA members will be one-half the regular rate within a year of the event. Documentation should accompany the discount rate request in the form of a news article or note from a disaster official. All duplicate requests must be submitted at the same time for the discounted rate. Complete details are in the ADGA Guidebook.
