

■ COMMITTEE APPOINTMENTS TO BE CONSIDERED FOR 2017

During the Annual Meeting in Austin, Texas, the Executive Committee will be planning ADGA Committee appointments for 2017. In an effort to give adequate consideration to everyone who wants to serve on a committee, we ask that you complete the form below, which will greatly facilitate the selection process.

Applications will not be accepted after October 31, 2016.

ADGA depends upon the energy and commitment of its members functioning through the committee structure. Involving the heart of ADGA – you, the members – has been an effective means of getting the work done.

Over the years, many people have volunteered their time and assistance by offering to serve on committees. Clearly, due to sheer numbers, we are not able to appoint everyone who requests a position to a committee. We do, however, appreciate these offers, and try to utilize those individuals desiring to help make recommendations for change and improvement so critical to the growth of ADGA.

In making the decisions for selection, we consider having a balance between the recommendations from the committee chairs, the requests from individuals, and the need to have a committee of reasonable size that represents a variety of viewpoints from a reasonable geographic

distribution.

The chair depends upon each committee member to be responsive in a timely fashion. It is very frustrating for the chair when members do not reply. We all know and recognize that there are times when committee members cannot respond promptly, but a brief note to the chair would be helpful if a complete reply is not possible by the deadline. Whether you are currently serving on an ADGA committee, or if you wish to serve on a different committee, please turn in a Committee Appointment application.

The volunteer structure in ADGA is vital. We need your input and support, and look forward to your application.
