Dear ADGA Members and Visitors,

We are very appreciative of the local group for their many hours of planning and work to make this show a success. We also owe a huge debt of gratitude to the many, many VOLUNTEERS that work countless hours throughout the year behind the scenes. Without their dedication and hard work we could not put on this show year after year and this includes the local group, the National Show Committee, the Youth and Colorama committees, as well as the many other volunteers that step up to help out when it is needed. This show is a tribute to all of you, the exhibitors, who help to make it a success year after year.

A special thank you to our numerous sponsors. From the hundreds of award sponsors to our major sponsors: Premier Sponsor, Sydell, Inc.; Gold Sponsors: Caprine Supply and Dairy Goat Journal; Silver Sponsor: Milkmaid Creations, Bronze Sponsors: Afimilk, the American LaMancha Club, Konza Kids Dairy Goats, Harrogate Hospital for Animals, Hamby Dairy Supply, Land O Lakes, Maple Oak Farm, NLPA Sheep & Goat Fund, NRV, Inc., Coburn Company and Southwest WI Technical College and our newest line-up of sponsors, our Friend of the National Show sponsors: Animart, Alpines International, Bright Vet Clinic, Chateau Briant Farm, Cisco Saanens, Kickapoo Valley Dairy Goats, My Kids Farm and Wonka Toggs-4JB Dairy Goats. The generous contributions of each of these sponsors year after year is greatly appreciated by all. Please take the time to thank these sponsors for their support.

This year, nine beautiful doe kids were donated for our annual Silent Auction. This event has proven to be invaluable in helping offset National Show expenses. We appreciate the generosity of our donors and hope you will consider bidding generously on these lovely doelings. This will also be the first year of our Embedded Youth Show where youth exhibitors will be recognized in each class and a youth Premier Junior and Senior doe will be chosen in each breed. We hope you enjoy this new addition!

Our ADGA Youth Representative, Garrett Otterson of Willows, CA, along with our alternate Youth Representative, Phoebe Heino of Manton, CA, will be distributing ribbons and trophies throughout the show week. We appreciate their attendance and their hard work, tireless energy and endless help during the week in the show ring.

This event will showcase some of the world’s most beautiful dairy goats. Please take time to enjoy the show, visit with old friends and make new friends. We hope you take home many fond memories when you leave at the end of the week.

Have a wonderful week and enjoy the 2017 ADGA National Show!!

Sincerely,

Deb Macke and Ken Feaster-Eytchison
Check out our milking machines and other products for Goats, Cows, Sheep, Llamas. Also everything you need to show livestock. Great prices on cheesemaking and soapmaking products, plus animal health, grooming, milking, and gift items and books for breeders, homesteaders, and hobbyists.

Plus you can’t beat our service! Visit us at our new, improved website:

4:00 PM  Colorama Sale  
Awards Ceremony

**Saturday, July 15**

TBA  RELEASE  
10:00 AM  ALL ANIMALS MUST BE OFF THE GROUNDS

*Schedule is subject to change.*
NEW Books! • NEW Books! • NEW Books! • NEW Books!

**Gardening with Less Water**
*By David A. Bainbridge*

Simple, inexpensive, low-tech techniques for watering your garden much more efficiently — using up to 90 percent less water for the same results. Illustrated step-by-step instructions on how to install buried clay pots and pipes, wicking systems, and other porous containers that deliver water directly to a plant’s roots with little to no evaporation. 127 pages, $14.95

**Apple Cider Vinegar Companion**
*By Suzy Scherr*

Generations of devotees have sworn by apple cider vinegar: cooking with it, swigging it by the spoonful, and using it as a remedy for just about any ailment. Why? The tart, fermented flavor certainly can add a punch to any recipe, but it’s also great for weight-loss, digestion, and overall good health. *The Apple Cider Vinegar Companion* is the essential guide, with information on how to make your own, and tips and tricks for using it for household tasks. 175 pages, $14.95

**Cooking With Coconut**
*By Ramin Ganeshram*

Coconut is healthy and delicious. 125 original recipes using coconut in all its forms. Options span the menu, from breakfast dishes like Savory Coconut Crêpes to dinner and dessert dishes like Asparagus with Shallots and Shredded Coconut, Coconut Pork Kabobs, and Coconut Rum Crème Brûlée. Ramin Ganeshram, an award-winning food journalist. 287 pages, $18.95

**Temple Grandin’s Guide to Working With Farm Animals**
*By Temple Grandin*

Award-winning author Temple Grandin is famous for her groundbreaking approach to decoding animal behavior. Now she extends her expert guidance to small-scale farming operations. Grandin’s fascinating explanations of how herd animals think — describing their senses, fears, instincts, and memories — and how to analyze their behavior, will help you handle your livestock more safely and effectively. You’ll learn to become a skilled observer of animal movement and behavior, and detailed illustrations will help you set up simple and efficient facilities for managing a small herd of 3 to 25 cattle or pigs, or 5 to 100 goats or sheep. 184 pages, $19.95

**How To Raise Goats**
*By Carol Amundson*

*Everything You Need To Know To Raise Dairy Or Meat Goats*

199 pages, $19.99

**The Backyard Goat**
*By Sue Weaver*

*An Introductory Guide To Keeping Productive Pet Goats*

215 pages, $16.95

**Raising Goats For Dummies**
*By Cheryl K. Smith*

*An Introduction To All Aspects Of Owning, Caring For, And The Day-to-Day Benefits Of Raising Goats*

340 pages, $19.99

I would like to thank the members of the American Dairy Goat Assoc.; and of course, the National Show committee for allowing ADGA judges like myself the opportunity to judge the Most Prestigious Show of the Year!!! It takes a lot of time and dedication for everyone involved and many sacrifices by many to put on a show like the National. Having said that, I am humbled by the fact that those who are members of ADGA take the time to vote and allow me the honor of judging their fine animals.

I am excited to not only judge, but to see so many fine animals and all the hard work the exhibitors put into making the National Show a success. I also look forward to seeing everyone at the show, and working with other judges in a teamwork approach in selecting the best possible animals that meet the standards put forth by ADGA and its membership. Selective breeding, long hours, many years, tears and money have gone into many of the animals presented.

Without the support of my family, especially my wife Sharon and two daughters Karen and Kassidy, getting to judge any show would be next to impossible. A strong support system at home allows me to do one of the things I like, and that is to Judge Dairy Goats!

I’ve been raising dairy goats for 41 years this year. I’ve bred and owned Canadian National Champions in several breeds. Having the good fortune to have acquired an ADGA license and a Canadian Goat Society license has enabled me to travel to many distant areas of North America. Always scouting for lines to add to my own herd.

Remember, no matter how you place, it is the same animal you brought into the ring, so never get discouraged at how you place. You worked hard and everyone deserves to see what your breeding program can do to enhance their herds. Hopefully, everyone remains healthy, and has a positive experience at this year’s National Show. More importantly, I hope everyone arrives safely and has a safe trip home. Have a GREAT 2017 ADGA National Show.

Julie Matthys

Julie has been an ADGA licensed judge since 1994 and is judging her seventh National Show. She has been involved in dairy goats since 1983 and breeds Toggenburgs under the herd name Dairy Delight and LaManchas under the heard name Mint*Leaf. Julie also helps manage her son Kyle’s herd of M*L Legacy Nubians.

Julie is the current chair of the National Show Long Range Committee and has previously chaired the Judges Training and Shows Committees. Julie is a Life Member of ADGA. In her professional life, she is a licensed real estate appraiser, broker and professional farm manager.

Karen Smith

This is Karen’s third time to be selected as an ADGA National Show Judge. She attended her first National Show in 2000 and has been at every show since. She is looking forward to attending the 2017 show as a Judge. Karen has owned goats for over 30 years and has operated Lady-Kk Farm since 1991. She raises Purebred French Alpines and both Purebred and American Saanens. She acquired her Judge’s license in 2003. She is a Senior Appraiser with ADGA’s Linear Appraisal Program, and is a member of the AGA Board of Directors representing District III.

She left “Corporate America” in 2007, and has been a full-time farmer since that time. Karen has judged Youth Events at the ADGA National Show twice and was honored to be able to work with the “future” of ADGA. She is currently Chair of Breed Standards committee, and has chaired the ADGA Annual Meeting committee and the National Long Range committee. She has also served on the following committees: Annual Meeting, Annual Meeting Long Range, National Show, National Show Long Range, Linear Appraisal, Judge’s Training, Advanced Judges and National Show Youth Activities. She has participated in DHIR and hosts a Linear Appraisal session at her farm each year.

Karen says, “There is nothing quite like the sight of several thousand beautiful animals all grouped together to compete for the title of National Champion in their respective breed. To attend a National Show is an exhilarating experience, and to be selected to judge a National Show is an honor. Thank you to all those who helped make me who I am today.”

Dustin Noble

Dustin lives in Franklin, TN, and has raised registered dairy goats under the prefix of Noble-Springs since 1992. He currently raises Alpines, Saanens and Toggenburgs.

Dustin has been an ADGA licensed judge since 2004. He graduated from the University of Tennessee in 2005 with a bachelor’s degree in Animal Science. He and his wife Justyne operate Noble Springs Dairy in Franklin, TN. they milk 100+ goats and have a farmstead creamery where they produce several types of cheese, fluid milk and drinkable yogurt.

Lynn Benedict

National Shows have marked various milestones in Lynn’s dairy goat adventure. She slept in the barn in Columbus in 1975 and helped with the Muirhill Nubians for her maiden voyage. She was wowed in Sacramento in ’87 at the Alpines that paraded by, brought home one special doe kid and forever changed the focus of her Alpine breeding program. At her 1st National as an exhibitor in ’88, her aged Nubian doe was Reserve National

Karen Smith

Dustin Noble

Dustin lives in Franklin, TN, and has raised registered dairy goats under the prefix of Noble-Springs since 1992. He currently raises Alpines, Saanens and Toggenburgs.

Dustin has been an ADGA licensed judge since 2004. He graduated from the University of Tennessee in 2005 with a bachelor’s degree in Animal Science. He and his wife Justyne operate Noble Springs Dairy in Franklin, TN. they milk 100+ goats and have a farmstead creamery where they produce several types of cheese, fluid milk and drinkable yogurt.

Lynn Benedict

National Shows have marked various milestones in Lynn’s dairy goat adventure. She slept in the barn in Columbus in 1975 and helped with the Muirhill Nubians for her maiden voyage. She was wowed in Sacramento in ’87 at the Alpines that paraded by, brought home one special doe kid and forever changed the focus of her Alpine breeding program. At her 1st National as an exhibitor in ’88, her aged Nubian doe was Reserve National
Over the years, her small Alpine herd (never over 20) has brought home Premier Breeder, Premier Sire, Reserve National Champion, Best Udder, Reserve Best Udder, and numerous 1st placings in individual and group classes and Production Awards. 2017 will be the 4th time Lynn has judges the National Show.

For over 30 years Lynn worked on the family dairy farm milking 120 Holstein and cross bred cows in an intensive grazing system. Goats were here before the cattle and remain after, supplying everyone on the farm with milk. The herd has been on continuous DHIR since 1983 and is appraised every two years. Lynn has served two terms on the ADGA Board of Directors and is currently chair of the Advanced Judges Committee. She also, serves on Linear Appraisal, Production Test, Type, Judges Training, National Show and Genetic Advancement. The herd has had seven Spotlight Sale consignments, including the high seller in 1999. To add to her bachelor’s degree in Animal/Dairy Science, Lynn recently has become a Licensed Massage Therapist and is in private practice in her hometown.

Daughter Emily is also a lifetime member, the herd photographer and is the artist behind the newer ADGA three headed logo. Granddaughter Maya has a small herd of Nubians.

She is excited, honored and humbled to be judging her third National Show. She always says that dairy goats have brought her many of her closest friends. So, in the midst of the heat and hard work and stress of the National, she hopes you will remember to enjoy your friends and appreciate the incredible display of animals of all breeds brought here to compete.

Todd Biddle

I have been a licensed dairy goat judge for twenty four years. While I have judged youth events at three past ADGA National Shows, 2017 will be my first year judging breed classes at the ADGA National Show. I also write articles for the Dairy Goat Journal on dairy goat judging.

On our family farm, we maintain a herd of twenty-five Saanen dairy goats, twenty Belgian Draft horses, and seventy head of Dutch rabbits. While the goats are not shown as much as they once were, a family member or I earned National Junior Champion Saanen in 2003, Reserve National Best Udder Saanen in 2002 and Reserve National Best Udder Saanen in 2016. We have participated in the linear appraisal program and have had many does scoring between 90 and 92. We had one doe score EX 93 in years past. We also show our Draft horses and rabbits at many national level shows. We exhibited two past National Champion Belgians and several past variety rabbit winners at both the ARBA convention and the National Dutch Rabbit Show.

I have twenty years of teaching experience and hold three teacher certifications. Currently, I am an agriculture teacher and FFA adviser in central Pennsylvania for the Bald Eagle Area School District. I earned a distinguished teacher merit on the state teacher evaluation form in 2015-2016 for my teaching excellence in the classroom. Our FFA chapter earned national chapter recognition of two stars in 2015. While our chapter has many initiatives, one of our notable missions is to fight childhood hunger as we are very active with the National FFA Hunger Hero’s challenge efforts. Another exciting effort is improving and increasing pollinator friendly habitat on our school campus to help with the national pollinator decline.

I, like you, share a love not only for dairy goats but agriculture in general. Each day presents new opportunities and challenges as we promote and “work” for the number one industry in the United States - Agriculture. As we celebrate the accomplishment of excellence at the National Dairy Goat show, it is important for us to never lose track of all the hard work that goes into the preparation of a national show string. This work starts many years prior and requires day to day management. I hope you will enjoy showcasing representatives from your breeding program as much as I will the task of evaluating many of the best dairy goats in the country. Please try to find time between showing and herd care to visit with others who share the same passion as you. These relationships are the root of our industry and what will contribute to making the national show a very special experience.

Reflect on yesterday, strive for a brighter tomorrow, and enjoy the beauties of dairy goat ownership.
Superior Milking Performance

CoPulsation™ provides a unique gentle milking action by massaging the teats to allow your goats to be milked in comfort. This milking experience is as gentle as hand milking, natural as a suckling action of a kid with the efficiency of a machine. No other milking system matches the superior milking action we provide allowing you to maximize the potential of your goats. Get better milk quality, higher production and healthier goat udders.

We put the “happy” in the milking experience!

Our experience base covers the smallest of goat herds to herds of a 1000 being milked in facilities ranging from buckets to large linear and rotary parlors. We have many successful dairy goat herd customers around the world including some famous ones like the Beekman Boys herd. CoPulsation™ has a similar proven success record with a range of the smallest to the largest dairy cow herds as well as sheep and even camels – all achieving similar superior levels of success with the same core product.

This is something unmatched in the industry. Consider a couple of customer examples:

Paul Borreman, 2 x 30 parlor side-by-side:
Lifetime production for his 900 goats has gone up from 3000 liter to 4000 liter after changing pulsation. Hardly any bad udders left, and saving about 300 labor hours / year. Much healthier teats, faster- and better milkout. Goats much quieter.

Marcel Reinders, 2 x 12 parlor side-by-side:
About 500 goats in 1,5 hours in 2 x 12 with 2400-2600 lb milk/goat/year. Hardly any bad udders. Initially he milked both goats and sheep and found even the sheep milked much better.

Crow Dairy
We just remodeled our barn and installed our second CoPulsation™ System. Love this product!

Jeremy Francine, Milks 125 goats with 6 units
I switched and I am a believer. I haven’t had a clinical case since installing five months ago. The black scabs went away in the first few weeks. The goats stand calm and I am not losing goats.

NEIA Dairy Goat Sale
Northeast Iowa (NEIA) Dairy Goat Sale of Waukon, Iowa

We conduct a semi annual sale. Twice a year at the end of July and beginning of January. These sales are conducted at the Waukon Fair grounds. This is a breeding stock sale promoting quality goats. There is a good demand for quality goats.

For more information contact:
GLEN MONROE, Sales Manager & Auctioneer
1233 Poline Rd, Waukon, IA 52172
563-380-2423
