## FROM THE DESK OF THE PRESIDENT

KENNON FEASTER-EYTHCHISON

ADGA Friends,

The 2016 Annual Meeting and Convention in Austin, Texas was a wonderful success. I cannot thank Caroline Lawson and the South Central Texas Goat Club enough for all of their hard work and dedication! It certainly takes a village to pull off an event of this size.

The highlight for me was Youth Awards Banquet. We had some fantastic youth apply for youth representative, and any one of them would have done an outstanding job! For those who couldn't attend, I had the fortunate task to announce the winners. As I stated in my remarks before announcing the results, I truly feel the future of ADGA will be in good hands! I wish to congratulate our 2016/2017 ADGA Youth Representative Garrett Ottersen, and Alternate Youth Representative, Phoebe Heino! I know you both will have an amazing year!

On a personal note, I was humbled by being elected President of ADGA by the board of directors. I cannot thank them enough for entrusting me with the direction of the Association for the following year. There are no words to express how I feel, so I will give a sincere "Thank you".

As ADGA is continuing to grow, this is the year to "Think outside the box" and to ask, "What if". We, as an association, need to look at all angles, and not assume the status quo is always the best way. Change can be scary, but it can also be a necessary part of growth. We need to tap into new talents, and develop the next generation, as they are our future! We need new ideas, and fresh ways to look at problems. We need to seek out resources and ask those difficult questions! I encourage you to reach out to your directors and share your ideas.

Included in this issue of *News & Events* is the Summary of Board Actions from the Annual Meeting. I encourage you to read it, then once the official minutes are available, take the time to read them, as well. This is your association! I am always disappointed by how few members take time to sit in on the board meetings. There was a time when the entire meeting was closed session, so take advantage, and sit and watch at the next convention that you attend!

Thank you, and as always, I welcome your thoughts and ideas.

## OFFICE OF THE ASSOCIATION MANAGER

SHIRLEY MCKENZIE

Dear ADGA Members,

We welcome the 2016-17 ADGA Executive Committee with Ken Feaster-Eytchison serving as our new President; Philip Cassette, First Vice President; Thomas Cox, Second Vice President; Melissa O'Rourke, Member-at-Large; and Robin Saum, Immediate Past President. The Board of Directors had a full agenda and met for two very busy days at their annual meeting in October. It is a privilege to serve with such a talented, dedicated, and inspiring team of individuals. Minutes of the meeting will be posted to the website in December.

As always, it is a pleasure to see old friends and meet new members at the annual convention. The South Central Texas Goat Club members were wonderful hosts to a great week in Austin. A big thanks goes out to the Annual Meeting committee and ALL the volunteers who worked so hard to keep events running smoothly.

In 2013, we reported it to be the first year since 1986 that we had broken a record of 15,000 members. As of December 5, 2016, the roster listed 18,800 members. The numbers are growing in Russia and we also have members from Australia, Bermuda, Canada, Kenya, Mexico, Philippines and the United Kingdom. The top five states in total members are California, Texas, Ohio, Florida, and Washington.

ADGA has experienced marked growth for the last ten years with a 28.2% increase in membership, 20.4% in registrations, 54.8% in herds on test, and 25% in animals appraised. We have exceeded our goal of 50,000 animal registrations this year, a new record, with 57% being completed online. Nigerian Dwarf became the leading breed with the highest number of registrations in 2016, topping Nubians, which held the record for many years. Sanctioned show totals for recent years are 2013-1170, 2014-1129, 2015-1157, and 2016-1226.

The demand for dairy goats is strong, participation in official programs is growing, and the Association continues to be financially sound. We have unlimited opportunities to expand the dairy goat industry!

Best wishes for happiness and prosperity in the New Year!

### Addition to ADGA Plus program for 2017

Herds that have been enrolled in ADGA Plus in 2016, but appraise alternate years or live in a location where appraisal will not be scheduled in 2017, are eligible to enroll for ADGA Plus, minus the linear requirement (and fee).

Cost as follows:

DHIR fee + three discounted DNA = ADGA Plus + Free Subscription reports + Promotion (use of logo and listed as ADGA Plus member)

This addition to the program has been approved only for the year 2017 at this time.

## Annual Meeting of the ADGA Board of Directors October 26–27, 2016 ■ Austin, Texas

*Following is a brief summary of primary actions taken at the 2016 ADGA Board Meeting. Additional information may be obtained from Directors or Committee Chairpersons. A copy of the unedited minutes is available to regular members on CD for \$5.00. The minutes will also be posted on the member website at [www.ADGA.org](http://www.ADGA.org).*

### Annual Meeting Long Range

- Board approved of October 16-21, 2018 in Bloomington, MN and October 15-20, 2019 in Boise, ID.

### Annual Meeting Youth Activities

- Board approved that contestants for ADGA Youth Representative be either youth or regular members of ADGA or part of a family or farm membership.
- Approved of essay contest entry form and evaluation criteria.
- Approved request for not more than \$800 per year to provide cash awards for the four champions and four reserve champions of the youth photo contest and the four champions and four reserve champions of the youth essay contest. These contests each include four age groups. Prize money is \$65 for champion and \$35 for reserve champion. Certificates of participation will be given to each entry.
- Approved of committee request for not more than \$4000 per year to provide eight \$500 Annual Meeting Youth Scholarships. Only one scholarship would be awarded in each district. A single individual can only win the AM Youth Scholarship a single time.

### Awards

- Reported the Mary L. Farley Award recipient is John B. White.
- Reported the Helen C. Hunt Distinguished Award recipients are Daniel Considine and Robin Saum
- Reported the Friend of ADGA Award recipients are Northwest Oregon DGA and Jennifer Bice.
- Approved of Linda S. Campbell as Director Emerita.
- Historic Herd name: Oakwood's (Thompson).
- Chris Strickland asked for the Legendary Herd Name proposal be given thought and a proposal to be submitted to the board next year.

### Breed Standards

- Approved of the following questions for a survey to be placed in the News and Events.  
In your opinion, a Sable should have:
  1. 25% or more hair color other than white or cream.
  2. Any amount of hair color, (i.e. leave Breed Standard as is).

Voting in the polls is limited to members who have owned, bred or registered the breed.

### EC Recommendations

- Approved of youth protection policy as follows: There must always be at least two (2) adults present at any ADGA sponsored youth activity. Each adult interacting with the youth must complete an application form. This includes, but not limited to, the ADGA Convention and the ADGA National Show.
- Board approved changes to Guidebook, Page 142 XIX Recommended Trade Practices for Members  
Delete F and replace with the following: In general, disputes between buyers and sellers are private matters that do not fall under the purview of the Ameri-

can Dairy Goat Association and may be resolved between the parties via negotiation, mediations, or in courts of civil jurisdiction. However, a dispute involving willful misrepresentation of fact as to the pedigree of any animal may be the subject of complaint to the Association.

G. Leave the first sentence and strike the 2nd sentence. "Nothing in these trade practice rules shall be construed as abridging in the right of the buyer and seller to enter into a private contract." In the case of a complaint, if no written contract is presented as evidence, these trade practice rules shall govern.

- Fitness to judge was referred to the EC, the EC recommends such issues be handled through the judge's complaint process as outlined in the Guidebook. Board approved.
- 2015 Board referred to EC to establish task force to determine if the spotlight sale should remain at the annual meeting or be combined with Colorama Sale. The EC unanimously supported leaving both sales as they are. No action needed.
- 2015 Board wanted a task force to investigate ways to increase commercial dairyman involvement. The EC unanimously felt we have done many things in the recent past. We have adopted a bulk registration discount and the LA Committee has been working on a commercial herd project. Also, the majority of our members are hobbyist. We recommend a brochure be created that addresses how large or commercial herds can benefit from ADGA programs. This would be an item for the new Communication Specialist.
- EC recommended, and the board approved, of a salary increase for the Association Manager, the Performance Programs Manager, and the IM Coordinator.
- EC recommended the addition of a 2<sup>nd</sup> performance programs clerk. Currently we have a temp who works part time. The board approved.
- 9) EC unanimously recommends the addition of a Communication Specialist. Board approved.
- 10) EC unanimously recommends the addition of an Assistant to the Manager position. Board approved.
- 11) Board approved of EC's unanimous recommendation of accepting the payroll contract support service at a cost of \$600 a month.
- 12) EC unanimously recommends an additional payment upon completion of the ROSS rewrite ready for testing. Estimated for the fall of 2017. Referred back to EC

### Finance

- Board approved finance committee recommendation of a wage increase for non-management staff effective January 1, 2017 as requested by the Association Manager.
- Board approved of increasing linear appraiser first year service from \$150 to \$160 per day and increasing the 2<sup>nd</sup> year of service until they reach senior status from \$200 to \$210 per day.

- Board rejected a finance recommendation of a \$2 across the board increase in registration and transfer fees.
  - Board approved of increase of all membership fees for memberships and affiliate \$10 each
    - New ADGA regular membership increase from \$35 to \$45
    - New ADGA affiliate/Associate Membership \$25 to \$35
      - Annual Regular membership renewal

- Board approved of charging non-members double the member rates for ADGA services, effective January 1<sup>st</sup>, 2017.

### Genetic Advancement

- Board approved the Genetic Defects General Policy
- Board approved G6S and Alpha S1 Casein policies.

### ADGA G6S Policy

Upon receipt of testing results from an approved laboratory, ADGA will maintain a database of G6S testing results. Only upon request by an animal's breeder, will G6S testing results be included as part of the goat's pedigree information and become part of the animal's permanent record in the ADGA pedigree database. Effective Date: October 27, 2016

"Grandfather Clause": For a period of one year following the implementation of this policy, animals tested prior to implementation shall be entitled to have test results (G6S-N/N, N/G or G/G) included in the ADGA database upon submission of paperwork confirming test results issued by the laboratory that conducted the test. Information provided by the laboratory must include the animal's registration number, OR breed, gender, date of birth and tattoo information in addition to test results. Upon the breeder's request, this information may also be included in the animal's permanent record as outlined above. A processing fee, as well as, the standard fee for certificate revision shall apply.

### ADGA ALPHA S1 CASEIN POLICY

Upon receipt of testing results from an approved laboratory, ADGA will maintain a database of Alpha S1 casein testing results. Only upon request by an animal's breeder will, Alpha S1 casein testing results will be included as part of the goat's pedigree information and will become part of the animal's permanent record in the ADGA pedigree database. Effective Date: October 27, 2016.

"Grandfather Clause": For a period of one year following the implementation of this policy, animals tested prior to the date of implementation shall be entitled to have Alpha S1 Casein test results included in the ADGA database upon submission of paperwork confirming test results issued by the laboratory that conducted the test.

## Chris Duemler, DVM Receives AASRP Award

Chris Duemler, DVM being presented with the American Association of Small Ruminant Practitioners 2017 Donald E. Bailey Practitioner of the Year Award by AASRP Past President Joan Dean Rowe, DVM.

Dr. Chris Duemler of Brodhead, Wisconsin is a member of ADGA and he and his family own Riven Oak Nubians consisting of 30-35 goats on a 60-acre farm near Brodhead. He is actively involved in ADGA and has served on the Reproductive Technologies committee.

Dr. Duemler has provided veterinary services to goats, sheep and cattle at the Brodhead Veterinary Medical Center in Brodhead, WI for the past 39 years. In addition to routine cattle practice, Chris serves numerous small herds of sheep and goats, and over 30 commercial dairies.

Other community activities included service as a deacon and Sunday school teacher for his church, work with local 4-H groups, participation on his township zoning board, and allowing numerous students to shadow him in practice.

## BOARD ACTIONS

(Genetic Advancement continued from page 5)

Information provided by the laboratory must include the animal's registration number, OR breed, gender, date of birth and tattoo information in addition to test results. Upon the breeder's request, this information may also be included in the animal's permanent record as previously outlined. A processing fee, as well, as the standard fee for certificate revision shall apply.

### Height Assessment of Miniature Breeds

#### Task Force

- Board approved of several measuring devices.
- Board approved of the following sentences be added to Article XIII. Judging Dairy Goats, sub-section E page 115, following:

For Nigerian Dwarfs, does over 22.5" in height are disqualified, as well as, bucks over 23.5 in height. It is necessary for all judges to determine that Nigerian Dwarf dairy goats meet the breed standard for height. Judges are REQUIRED to evaluate every animal for height disqualification as they enter the ring.

- The board approved the following paragraph be added to Appendix page 148 as a third paragraph to Measuring the Nigerian Dwarf Breed.

For Nigerian Dwarfs: It is necessary for all judges to determine that Nigerian Dwarf dairy goats meet the breed standard for height. Judges are required to evaluate every animal for height disqualification as they enter the ring. Does over 22.5" in height and bucks over 23.5" in height are to be disqualified.

### History

## **ADGA/Helen Staver Foundation**

The ADGA/Helen Staver Foundation was established to stimulate and support education, youth programs and research in the dairy goat industry. Its purpose is to assist in the advancement of education, educational materials and research by funding academic scholarships, conference scholarships, and the development of educational materials for the benefit of the dairy goat industry.

The primary goal of the Foundation is to fund an endowment so that the Foundation would be able to consistently award scholarships and grants. The Foundation welcomes the ADGA community to assist in this endeavor. Additionally, the Foundation will work with individuals and organizations that are interested in establishing a separate scholarship or grant program through the Foundation. There have been dairy goat clubs which have already approached the Foundation about establishing a separate scholarship fund in their name.

Donations to the ADGA/Helen Staver Foundation are tax deductible by the donor and may be sent directly to the attention of Shirley McKenzie at the ADGA office. If you have questions regarding the Foundation, please contact Trustee Christen Adels at (724) 843-1412 or christen.adels@yahoo.com.

The Officially Licensed ADGA Judges listed above have met the following criteria required of a National Show Judge: 1) Currently licensed judge with six years of continuous active judging experience and at least ten years of experience breeding dairy goats as an ADGA member; 2) Experience in judging major shows/fairs (300+ entries) in at least three different districts; and 3) Did not judge at the previous National Show.

The following individuals chose not to be considered as a candidate on this ballot: Lauren L. Acton, DVM, Carrie Baker-Kahle, Teresa Baker, Don Bergfield, Jennifer Lynn Bice, Kristina L. Bozzo-Baldenegro, Melinda Butler, Daniel J. Considine, Stephen Considine, Thomas Peter Considine, Lynn Fleming, David W. Funk, Martha Ann Griner, Mrs. Don E. Hendrickson, Elizabeth R. Henning, Ed Jodlowski, Paul F. Kempe, Jr., Jeffrey A. Klein, Loren Wade Larson, Annette Maze, Timothy Ness, Barbara Norcross, Robin Saum, Kirt Schnipke, Tecoa Lynn Seibert, Douglas Thompson, Anna Thompson Hajdik, and Megan Tredway-Carter.

The 2016 National Show Judges are ineligible candidates: Mark V. Baden, Aaron Carter, Daniel L. Laney, Joan Dean Rowe, DVM, Peter Snyder and Sam Whiteside.

The ADGA Board of Directors and the National Show Committee invite all regular ADGA members to participate in the selection of the 2017 National Show judges. The five (5) judges receiving the highest number of votes will be offered a judging assignment. The National Show Committee will select the sixth judge to serve at the 2017 show. Your thoughtful deliberation of the potential judges is important so that those selected will best represent the experience, involvement, and geographical requirements of ADGA National Show judges.

**2016-17 ADGA  
Youth Representative  
Garrett Otterson**

6919 County Road 57  
Willows, CA 95988  
(560) 517-0771  
landryotterson@gmail.com

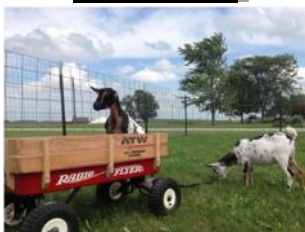

My name is Garrett Otterson. I am 16 and a junior in high school. I have been an ADGA member for the last six years. I own a small herd of 15 or so LaMancha and Toggenburg does. Ever since I joined ADGA I have wanted to become a Youth Representative. I am honored to hold this position and want to do as much as I can with the youth. I want to get my judges license when I am of age.

My love for goats started back at the end of 2009. That year my cousin invited me down to visit her at her fair and watch the dairy goat show. She only had four does there. I helped her with daily chores and cleaning pens at fair and really enjoyed it. I was sad to leave and return to my home and family. About a week later I got a call and she was asking if I wanted to buy her goats because she was ageing out of 4-H and wanted to share the experience with me. My parents bought her goats for me for my birthday. From that day forward I knew this was my new love and wanted to keep goats in my life for the rest of my life.

Dairy goats have helped me find what I want to do for the rest of my life. I want to become a Large Animal vet with a specialty in dairy goats. I plan to graduate high school and get accepted into UC Davis or Purdue for Veterinary medicine. I have started working and doing ride-along with a local vet and getting to see what the job entails and I am loving every second of it. I am very serious about this career and want to have a small hobby herd of LaManchas on the side and still do shows.

I have been to the past two National Shows and placed in the top ten both times in Intermediate 2 Showmanship class. I have also gone to the last two National Conventions and loved it and want to keep the youth program going. I have learned a lot and want to pass my knowledge to other youth and want to keep learning and teaching the rest of my career in ADGA.

My name is Phoebe Heino and I'm honored to have been selected as the Alternate Youth Representative for the 2016-2017 year. I'm 17 years old and I actively raise Nubians, LaManchas, and Recorded Grades in northern California.

I'm an active teen leader in my countywide dairy goat 4-H club and assist our club leader in meeting activities, as well as, leading my own activities within the meeting that correspond with my year end goal of increasing member knowledge and skill.

## ■ ADGA RESEARCH FOUNDATION

In 1976, the American Dairy Goat Association Board of Directors, at their Annual Meeting, proposed and adopted the ADGA Research Foundation for the purpose of promoting and directing research and educational activities concerning dairy goats. The Foundation is a nonprofit corporation that serves as an independent arm of ADGA under the management of its Trustees with its own banking accounts. The Foundation conducts its own business and is accountable to ADGA only for finances with an annual full report of its activities. Trustees are appointed by the ADGA Executive Committee and serve for one year or until replaced.

All correspondence, including proposals for research based on the annually scheduled call, should be sent to Lisa Shepard, Administration Staff ([adgaresearchfoundation@adga.org](mailto:adgaresearchfoundation@adga.org)) and will be answered promptly. If a research proposal is approved and funds are available, money will be granted. No further approval from the ADGA Board of Directors is required.

Tax-deductible donations, designated for the ADGA Research Foundation, may be sent directly to the ADGA office. ADGA Research Foundation Grant Request forms are available from the Foundation Secretary and from ADGA.

## 2016 Mary L. Farley Award John B. White

The Mary L. Farley Award is granted to those who perform outstanding work on behalf of the dairy goat industry. At the 2016 Annual Convention in Austin, Texas, this prestigious award was presented to John White. John was born into a farming family in Northern Illinois. As a future farmer, he raised a menagerie of various farm critters, including a special project of Rheas, and continues today to maintain an interest in a large variety of farm animals.

Prior to becoming involved in major ADGA work, he spent many of his adolescent years working in various positions on commercial goat dairies in Wisconsin and California. John worked at Idelmar for Paul Ashbrook, Sunshine for Daniel Considine and Stephen Considine and at Redwood Hills Dairy for Jennifer Bice. He was a support person at one of the first classification training sessions in Wisconsin in 1975. His gentle nature endeared him to the people he worked for and his knowledge of dairy goats and his generosity in sharing his expertise and knowledge with dairy goat breeders has made him a popular and memorable judge and appraiser.

John became an ADGA member in the early 70's as a teenager, however, dairy goats were his life from shortly after his birth due to allergies. What started as a family milk supply years ago, turned into a show herd and ultimately a commercial dairy for many years, breeding animals under the One\*Oak\*Hill herd name. His dairy goats have achieved numerous awards at local, regional, and national shows. The One\*Oak\*Hill genetics have been very influential and has been the base of many herds.

Elected to the ADGA Board of Directors in 2006, John served one term, with two of those years serving on the Executive Committee. John has served as chair of the Spotlight Sale committee, Type Committee and the Herd Book Change Task Force. He earned his first judges license in 1992 and held a continuous license until his retirement in 2001.

John became an ADGA appraiser in 1994 and worked until 1998, retired for a few years, and then returned to the program in 2003. He has served as an appraiser for 19 years and this year officially retired from the program. It is in the Linear Appraiser Program that John had done his best work for dairy goats. He has scored in excess of 33,000 animals and has made a major impact on the type of dairy goats that are being bred in the United States today. He has worked passionately and tirelessly in teaching about dairy goat type willingly working extended trips and assignments, well beyond what was normally expected of an appraiser. John and his life partner, Eric Jermain, have carried much of the field work load for the Association during a time when the program has more than doubled in size. Countless members, organizations, universities and the public have benefited from his vast knowledge and his willingness to share it with all. He has the ability to learn, teach, and inspires others.

## Director Emerita Award Recipient Linda S. Campbell

Ken Feaster-Eytchison and  
Linda Campbell. (Photo Courtesy of Caroline Lawson)

Linda Campbell joined ADGA on June 25, 1975. She was first elected to the Board of Directors in 1982 and has served as a District III Director from that time to the present. She is the longest, continuous serving Director now in her 33rd year of service to ADGA. Linda served on the Executive Committee from 1987 to 1996 and again 2004 to 2016. Four of those years she served as President.

Linda was featured in the Pioneer Program in 2004 - Her Khimaira Farms has been involved in breeding goats since the 1970's and has facilitated the sale of quality genetics around the world through exporting dairy goats. She has provided email distribution lists through her Khimaira web hosting for all of the ADGA Committees including the Board of Directors and the Executive Committee. She provides these services at no charge to ADGA. Linda is also known for her many, many years of promoting dairy goats on the national level to the USDA, APHIS, and ARS. She has served as President of the recently founded American Goat Federation which works to unite the goat industry to serve as one voice on the national level.

ADGA has relied on Linda through the years to help with IM/IT. When there is a problem, Linda is one of the first people to be contacted to help trouble shoot an issue. This year in particular, Linda has done at least a part time work schedule for the IM initiatives. She has taken the lead role in the web redesign and coordinated with vendors and also done a large amount of the work on the website. Without Linda's guidance on IM we would not have our current successes. She is an energetic, forward thinking individual.

Linda has been a guiding force to the Directors during her tenure on the Board. Many board members and individual members alike have called on her many times for sage advice and words of wisdom. She is well known for her willingness to listen to all sides of an issue with an open mind and offer advice.

All advertising is accepted at the discretion of American Dairy Goat Association, and should be in con-sort with the mission and programs of ADGA. VISA, MasterCard, Discover and PayPal accepted.

Take advantage of the opportunity to place your advertisement in the 2017 American Dairy Goat Association Membership Directory. This directory is provided to approximately 18,000 members across the United States and around the world. As a permanent addition to the libraries of ADGA members, this reference will provide a convenient location for a constant reminder of your sales items.

This is a perfect potential for businesses of all sizes. From the craftsman to the large company offering a variety of products, it is an ideal advertising tool. We also offer you additional marketing value online. Your company name and logo will also be posted on the ADGA website when you advertise with us. Listings for breeding stock or semen are not accepted at this time.

We are pleased to announce that there will be no increase in our ad rates for 2017. It has been more than ten years that costs have been held at the same low price. Get in on the deal now! For more information, please contact Paula Hughes. Send your advertisement and fee to arrive by March 1, 2017.

## 2016 Helen C. Hunt Distinguished Service Award Honorees

### Daniel J. Considine

Daniel Considine has lived his life as an active member of the Dairy Goat Community, promoting dairy goats, the dairy goat industry and the work of the American Dairy Goat Association. As we consider Daniel Considine's contribution for well over 50 years, as outlined in the paragraphs to follow, there is no doubt that he is worthy of the Distinguished Service recognition. He began his career breeding and raising purebred Toggenburgs in 1956 and joined the American Dairy Goat Association on February 3, 1958. He became a life member in 1983, after 25 continuous years of membership. Currently, Daniel had been a member of ADGA for 58 years and is the 4<sup>th</sup> longest member of those still living.

Daniel was first licensed as an ADGA judge in Albuquerque, New Mexico in 1965 and has held a continuous ADGA Judge's license since that time. At the end of 2015 Daniels completed his 50th year of judging continuing a passion for evaluating dairy goat as well bring opportunity to raise awareness of quality dairy goats around the country. He was first elected to the ADGA Board of Directors in 1977 and has served District IV for 36 years. He has also served as the Association President and on the Executive Committee.

Also, Daniel has served as chair or co-chair of the Linear Appraisal, Registration, Finance, Data Processing, National Show Long Range, National Show, National Sales, and Canadian Liaison committees. In addition, he has served on most of ADGA committees over the years, and many for multiple years. Daniel has been so involved in committee work that there have been times he is serving on more committees than anyone else. He actively shares his experience and insight with an eye toward continued improvement.

Daniel was in the 2nd Class of ADGA Pioneers in 2004 in Albuquerque. This is program highlighting ADGA members who have forged through the years raising dairy goats and thus have had a significant impact on the industry. In 2014 Daniel's Herd Name Diamond/Sunshine was recognized as an ADGA Historic Herd Name. His service over the years has been backed by his continuous use of ADGA Programs and success in breeding top dairy goats. No other herd name in the history of ADGA has won as many premier breeder awards from the ADGA National Show as the Sunshine Herd. There are 537 animals with the Sunshine herd name that have earned the Superior Genetics designation, 54 animals with the Sunshine herd name with the GCH prefix, and 8 animals with the Sunshine herd name with the CH prefix in the ADGA data base. Many of Daniel's earliest permanent champions were Diamond Sunshine prefixed, including the first National Champions, both Toggenburg and Alpine. The Diamond Sunshine herd name had 6 Alpine permanent champions, 17 Toggenburg permanent champions and 3 Nubian permanent champions. Daniel's endorsement of and participation in each of ADGA's three performance programs can be seen as one if not his most significant accomplishments. He has either chaired or served on each of the three supervisory committees over the past fifty years. The data shared above about his animals certainly supports this premise.

2016 marked Daniel's 61st consecutive year as an exhibitor at the Wisconsin State Fair, making him one of the longest term livestock exhibitors there in history. This is just one of many show venues in which he has shown his goats.

Robin Saum and Daniel J. Considine

### Robin Saum

Robin Saum is a life member of ADGA. She was first elected to the ADGA Board of Directors in 1992 and has served as a District IV Director from that time to the present. She is the second longest, continuous serving Director now in her 24th year of service to ADGA. Robin was re-elected in 2016 to her 9th term. She has served 15 years on the Executive Committee from 2000-2002 and from 2003 to present. During 2003 - 2004 Robin served as President Pro Tem for ten months. Subsequently she served another nine years as President in three sets of the maximum allowed 3 continuous years. Robin is one of the longest serving President's in the history of the Association.

Her service to the Association has involved chair, co-chair, or assistant chair on various committees over the years including Advanced Judges, Annual Meeting, Awards, Constitution & Bylaws, Finance, Information Management, Judges, Judges TC, Guernsey Breed Recognition Task Force, National Show, Linear Appraisal, Scholarships, Shows, Spotlight Sale, and Type. Her quick response and involved manner has allowed committees to work more effectively. She has worked to develop an excellent understanding of the rules of the Association and shares that knowledge in her committee work.

Robin is a licensed ADGA judge who can be found judging shows every year. First licensed as an apprentice in 1987, this year is her 30th year of judging. Robin obtained the status of advanced judge and in 2011 judged the ADGA National Show in West Springfield, MA.

The American Goat Federation was formed to promote and facilitate the development of all segments of the goat industry including dairy, meat and fiber, by encouraging sound public policy, enhancing production and marketing of goat products, and promoting research beneficial to our member organizations and all producers. Robin served for several years as one of the representatives of the Dairy Goat industry and worked to bring focus and stable management to the new organization. Robin joined Dr Joan Dean Rowe and/or Dr Paul Plummer as ADGA Representatives at USDA meetings held by Kevin Shea, Administrator of Animal and Plant Health Inspection Service in Washington DC. These initial meetings were coordinated by Robin at the invitation of Director Shea to enhanced the working relationship between USDA, ADGA and the dairy goat industry.

Participation in all of ADGA programs and most services including DH1 production testing, Linear Appraisal, shows, judging, superior genetics, DNA testing and ADGA Plus has allowed Robin to serve as an advocate for these programs encouraging others to participate. She has used this firsthand knowledge to guide members to receive greater benefits from membership in ADGA.

Robin is the third generation in her family to raise dairy goats. Her grandmother had mostly Swiss breeds and some Nubians which she raised under the Snowflake, Vitamilk, and Kitchamakin herd names. Her mother raised Saanens and Toggenburgs when Robin was a child then switched to LaManchas in the mid 1970ies. After graduating high school Robin had Toggenburgs for a few years under the Saum's Oak herd name. In 1991 she purchased two Saanen does and began raising them under the Snowflake herd name. Clearly Saanens are her favorite breed. In 2015 she added a Nigerian Dwarf which, of course, is all white and Robin lovingly calls Sophie Saum.

## NWODGA and Redwood Hill Farm & Creamery recognized as Friends of ADGA

Christina Strickland and President Ken Feaster-Eytchison. (Photo Courtesy of Caroline Lawson)

The Northwest Oregon Dairy Goat Association has offered an annual conference for more than 25 years benefiting all dairy goat breeders within the Pacific Northwest, Idaho, and Northern California; additionally Alaska.

The NWODGA annual conference has been in the forefront of dairy goatherd management including disease control, feed management, and Bio-Security; along with DHIR/DHIA production test, Artificial Insemination, ADGA Linear Appraisal, dairy goat products, and dairy goat shows.

NWODGA reached out to UC Santa Rosa, Dr. Joan Dean Rowe, regarding important health issues in the 1990s regarding the impact of CL, and control application. Few dairy goatherds in district VII experience CL and are more prepared to deal with CL should it arise. Few if any breeders have experienced transmission from goats to humans through their educational effort.

Their effort expanded WSU's testing program and development of vaccine.

NWODGA has supported these activities, but without Chris Strickland's effort and dedication the level of perfection would not have been there. Chris has overseen these activities from the meal requirements to travel arrangements along with coordinating other volunteers' service.

Jennifer Lynn Bice, Founder & Managing Director of Redwood Hill Farm & Creamery has been a member of ADGA for more than 25 years.

Jennifer Bice, Redwood Hills Farm & Creamery, Founder & Manager. (Photo Courtesy of Caroline Lawson)

In 1978, Jennifer took over her family's farm and grade A goat dairy, which her parents first started in Sonoma County in 1968. Along with her late husband, Steven Schack, Jennifer expanded the business to produce a greater variety of goat milk products, and diversified the dairy goat breeding program.

Redwood Hill Farm & Creamery is, to this day, operated by Jennifer along with more than 75 dedicated employees. Promoting the benefits of goat milk products and developing a genetics program of excellence remain her top priorities, and this commitment has positioned Redwood Hill Farm at the forefront of the dairy goat industry.

Their ongoing financial support of ADGA National Shows, Conventions and Spotlight Sales has helped to make these events successful. They have contributed to the promotion and underwriting of these events for over 20 years, many times as the main financial donor. Jennifer has also been a leader to ADGA through her committee work, judging, and promotion of dairy goats.

## Shows & Events

Send your event announcement to the News & Events Editor at ADGA Headquarters, address inside front cover. Listing is free of charge. Provide complete detailed information. Event announcements for breeds not registered by ADGA will not be accepted.

Per recent Board action, these laboratory results can be added to the pedigree information with the breeder's permission. Breeders (only) may submit a Publicity Request Form found at <https://form.jotform.com/63105591261147>.

Alternatively, breeders can either contact [performanceprograms@adga.org](mailto:performanceprograms@adga.org) directly or provide a signed statement with the registration ID's and the test type they wish to make available for tests that have been completed. Unregistered animals will need to be registered for this update

to be applied as they need a registration ID and requests need to be made on a per individual animal basis. Breeders can also select the publicity option to make the results available at the time of ordering.

Results will be maintained in the database on all testing results that have been provided to ADGA should breeders decide to choose to include results in the future.

Following are some common questions when ordering:

## I've already had my animal tested for another test type. What are my options?

For most samples at the lab, it is possible to just request the new tests without additional sampling. If the lab has exhausted the material with other testing, they will let us know and you would need to re-sample and submit. We would generate new submission materials in this case and send to you.

## A previous owner has had my animal tested for another test type. What are my options?

Same as above but we would need permission to add the test type to the sample on file as they were the submitter of that sample.

## Will results from other labs, or tests that I ordered directly through VGL be accepted?

The Board adopted a "Grandfather Clause" which states the following. For a period of one year following the implementation of this policy, animals tested prior to implementation shall be entitled to have test results included in the ADGA database upon submission of paperwork confirming test results issued by the laboratory that conducted the test. Information provided by the laboratory must include the animal's registration number, **OR** breed, gender, date of birth and tattoo information in addition to test results. Upon breeder request, this information may also be included in the animal's permanent record as outlined above.

# NEW LIFE MEMBERS

We honor the following members who have loyally supported ADGA and promoted dairy goats for 25 consecutive years. They were recently awarded an ADGA Life Membership. (See page 2 for photo)

To provide financial assistance to eligible ADGA Youth to attend the Youth Program of the ADGA Annual Meeting and Convention.

### EXPECTATIONS

- Recipient will attend the Youth Program at the ADGA Annual Meeting and Convention.
- Scholarship award may be used to cover expenses such as youth program registration, lodging, travel and meals, or any other expense associated with traveling to the convention.
- All scholarship recipients who are 12 to 17 years old must be accompanied by a parent or guardian for the entire youth program. Parents or guardians will be responsible for all of their own expenses.
- Applicant is only eligible to receive the ADGA Annual Meeting and Convention Youth Scholarship once.

### APPLICANT MUST

- Be age 12 through 20 years old as of the first day of the convention's youth program.
- Be a current member of the American Dairy Goat Association (applicant may be a youth or regular member or part of a family or joint membership).
- Complete the scholarship application as directed and include one letter of recommendation from an adult, non-family member. The letter could come from a teacher, 4H or FFA leader, clergy, family friend, goat breeder, ADGA Director, etc.
- Achieve a minimum score of 70 to receive a scholarship.
- **Completed application and letter of recommendation must be postmarked, faxed or emailed no later than July 1.**

For the scholarship application go to [www.adga.org](http://www.adga.org) and click on Forms, then select Youth Convention Scholarship Application under General Forms.
