PIN Application

WHAT IS AN ADGA PIN NUMBER?

The ADGA Personal Identification Number (PIN) is a 5 - 8 digit number that is randomly issued by the ADGA database. Your PIN is different than your ADGA ID number and serves as the electronic signature for your membership. **A PIN Application and a Signature Authorization form must be filed before ADGA will issue a PIN.**

PIN NUMBER REQUIRED FOR ONLINE ACCOUNT

Because the ADGA PIN Number serves as your electronic signature, it is required to create an online account to access ADGA's Online Member Services. You must have a valid PIN issued by ADGA for use with all documents or forms submitted via ADGA.org or other official website of ADGA, where a signature is required.

The Certificate of Registry/Recordation, or other processed forms, will be mailed to the owner of the PIN. The owner of the PIN is responsible for all fees. Your PIN will be mailed to the address for the membership on file at ADGA. Any address changes must be filed with ADGA prior to application for a PIN.

Signature Authorization Form

PURPOSE

Signature Authorization is to be used for the purpose of signing registrations and transfers. They may be used to vote the ballot of a corporation, association, business, family, or partnership, but not an individual's ballot.

The Signature Authorization gives the American Dairy Goat Association the authority to accept any one of the signatures appearing on this form on all papers related to dairy goats owned by your ADGA Membership Name.

If you do not want anyone else to be able to sign, even in the case of your incapacity or death, then only include the Printed Name(s) and Signature(s) of the person or persons included in this membership.
