2020 Sable Herdbook Survey

The following survey is for current members of ADGA only. The purpose is to gauge members' views related to the Sable and Experimental herd books. Members who own any dairy goat breed may participate. Special attention will be given to those who currently own registered Sables and/or Saanens. Please only complete this survey once. It should take about a minute to complete.

Survey Questions

1. What ADGA ID Number is associated with the goats you own? _____
2. A Sable X Saanen breeding that produces colored kids should be registered in which herdbook?
