

American Dairy Goat Association

ADGA registry, based on original import records, is your warranty of good breeding and worldwide acceptance.

The American Dairy Goat Association would like to announce the extension of stamped duplicate applications will be accepted in lieu of the original certificate. Anyone possessing a stamped duplicate with the expiration date of September 15, 2021, will now be able to use this as a valid document until December 31, 2021. This is a necessary step so ADGA members can actively participate in all functions while still awaiting original documentation.

Sincerely,

Lance Gerlach
Executive Director
