INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING AGREED-UPON PROCEDURES

To The Executive Committee of the Board of Directors  
American Dairy Goat Association  
Spindale, North Carolina 28160

I have performed the procedures enumerated below, on the 2022 Primary Election Ballots for the election period ending June 6, 2022, included in the accompanying information provided to me by the Management of the American Dairy Goat Association. The American Dairy Goat Association is responsible for the election materials and process, included in the accompanying information provided to me by the Management of the American Dairy Goat Association.

The American Dairy Goat Association has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of conducting a primary election of members to its Board of Directors. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

In accordance with the constitution, bylaws, and other supplementary instructions provided to me by the Board of Directors and Management of the American Dairy Goat Association I performed those duties associated with the tabulation of nominating ballots received at my business post office box at P.O. Box 550698, Gastonia, NC 28055 for the primary election period ending June 6, 2022. The procedures I performed included the opening of mailing envelopes, separating of signature stubs from ballot envelopes, determining voter eligibility based on the membership directory provided by Management, the invalidation of those ballots where proper voter procedures were not followed, the conduct of the tabulation as specified in the instructions to the Certified Public Accountant, the tabulation of ballots, and the final reporting of the results of the tabulation to the Executive Committee of the American Dairy Goat Association and Secretary-Treasurer of the American Dairy Goat Association. The complete 2022 ADGA District Director Primary Election Early Return Tabulation Report is attached as a part of this report. The Early Return Tabulation Report reflects only the data extracted from the ballots counted and cannot be relied upon as an election tool for determining eligible nominees for office. It merely reflects nominee names and the number of votes received by each as taken directly from the ballots. A final results report showing complete tabulation as well as nominee eligibility will be issued at a later time in accordance with ADGA procedures.

I was engaged by the American Dairy Goat Association to perform this agreed-upon procedures engagement and conducted my engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants. I was not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion on the sufficiency of election tabulation procedures and conduct and execution of the process to nominate district representatives to the Board of Directors of the American Dairy Goat Association, included in the accompanying information provided to me by the Management of the American Dairy Goat Association. Accordingly, I do not express such an opinion or conclusion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

I am required to be independent of the American Dairy Goat Association and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements related to my agreed-upon procedures engagement.

This report is intended solely for the information and use of the Board of Directors and Management of the American Dairy Goat Association and is not intended to be and should not be used by anyone other than these specified parties.
