The intent and spirit of the show rules is to provide fair competition to exhibitors and their animals on a nondiscriminatory basis.

A. ELIGIBILITY

1. Only American Dairy Goat Association, American Goat Society and Canadian Goat Society registered, recorded or applied for animals, that are recognized by ADGA as dairy animals, may be shown in official American Dairy Goat Association shows.
2. A registration or recordation certificate is required for all animals six months of age or older and may be required for animals under six months of age if the show so chooses.
3. A registration or recordation certificate or a stamped duplicate application showing the date received by the ADGA office is required for all animals under six months of age. Show officials shall not accept copies of the aforesaid, any other document in lieu of them, or information obtained from the ADGA office via telephone, etc.
4. A stamped duplicate is valid for 30 days from the ADGA office date stamped on it. NOTE: 2024 only – Stamped Duplicates are valid through 12-31-24.
5. The document for that animal to be shown must be handed to the show official who shall read it and compare its information to that on its entry form and verify the information on both.
6. All Names Included on One Identification Number Constitute Only One Membership; therefore, only one exhibitor. ONLY the ID number on the registration/recordation certificate or on the stamped duplication application is proof of ownership.
7. Persons showing animals whose registration or recordation certificates have signed transfers that have not been processed by the ADGA office must show those animals in the owner's name shown on ADGA records at that time.
8. Animals with natural horns shall not be shown.

B. SHOW SANCTIONING AND FEES

1. The number and type(s) of show(s), classes, rules, sanctioning registry association(s), and restrictions published for any given show shall be an exact duplication, in their entirety, of those sanctioned by the ADGA office and shall state "ADGA rules shall govern."
2. Two copies of the schedule of all classes to be held, all other rules of the governing and applying association(s), and the official show application must be sent to the ADGA office for approval. ALL classes to be held must be listed under classes.
3. Any change requested for a previously sanctioned show shall be sent to the ADGA office in writing for their approval. No verbal or telephone changes will be accepted. This shall not preclude the changing of the judge, show chairperson, or show secretary by telephone if necessary. Should a change in show chair be necessary, it is the responsibility of the show chair to notify the ADGA office. Should a change in judge be necessary, it is the responsibility of the original judge to notify the ADGA office. The notification should be made as soon as possible by email to showsupport@adga.org or current contact.
4. If the ADGA office sanctions the show, it will, at least two weeks prior to the show date, send copies of all classes to be held and all rules of the governing and applying associations to the judge. If there is a difference in these and the ones presented to the judge at a later date, those sent by ADGA will govern.
5. The emailed/faxed/postmarked (not metered) on the envelope determines the cost of the sanction application if two copies of the rules and classes, the cost of rosettes for all categories applied for and the full cost of the application itself are included. If any of these requirements are lacking, the email/fax/postmark (not metered) of the latest communication necessary to fulfill requirements, will determine the cost. Sanction fees are as follows if application, rules, and classes are post-marked/faxed/emailed to ADGA: more than 30 days prior to show date—\$60; 11–30 days prior to show date—\$100; 10 days or less prior to show date—\$140. (If postmarked/faxed/emailed less than 31 days before show, additional fees for shipping may be required.) Rosettes are required and are \$10 a set for each breed being sanctioned. If Champion Challenge is being sanctioned, an additional \$6 for each breed must be sent. If the Best in Show class is sanctioned, it must be listed under "classes" and the rosette must be purchased (\$6). If it is not sanctioned, the rosette may not be purchased. If the class is held regardless, the BIS animal's name shall not be included on the Report of Awards and the animal will receive no ADGA awards provided by this class even if the animal's name is included. The sanction fee plus the cost of rosettes must accompany the application for the Official Show.
6. The base date for computing the age of the animal is the day the animal is to be judged unless otherwise stated by a Fair board or organizing show committee in its rules governing livestock. This date must be stated on the show application and in the rules.
7. ADGA sanctioned shows held within the judging and classes of another ADGA sanctioned show ARE NOT allowed.

8. Any show limiting its number of entries must state this in their rules.
9. Board approved show rule changes become effective immediately except for those shows already sanctioned to occur before January 1st of the upcoming year. ADGA will announce their sanctioned shows as soon as possible after the sanctioning. All requests not to do so are denied.
10. A show must include one of the following statements in their rules: (The Junior and Senior shows are separately sanctioned) or (The Junior and Senior shows are not separately sanctioned.)

C. RULES GOVERNING SHOW OFFICIALS AND JUDGES

1. The designation "Official ADGA Show" shall be posted conspicuously at the show.
2. It is the responsibility of the Show Secretary to have a copy of these rules available at all times in case any question arises during the course of the show.
3. The Show Chairperson and Show Secretary shall not be the same person. In the case of shows held simultaneously, the Show Secretary shall not officiate in more than one of them.

A judge unable to fulfill a contract to judge or conduct a Pre-TC shall immediately contact the sponsor and explain the circumstances. If the sponsor requests, the judge shall contact a mutually agreed upon replacement and work to negotiate terms. Failure to perform this request is grounds for filing a complaint with the ADGA Judges Committee.
12. If the Grand Champion, the Reserve Grand Champion or the Challenge Winner is tail-tattooed and not a LaMancha, the judge shall check the ears for tattoos. If found they must be included and their status clearly indicated on the Report of Awards.
13. The judge shall avoid placing hands or fingers in the animal's mouth for inspection of related defects. The exhibitor shall open the mouth if requested to do so by the judge. If the judge does handle the mouth, he/she shall disinfect his/her hands before and after inspection.
14. ADGA licensed judges, judging at an ADGA sanctioned show, shall only sign ADGA paperwork, and that of sponsoring fair if applicable (unless the show is dual sanctioned with another registry). Any registries desiring information on the specific ADGA show report may request a copy directly from ADGA, provided the request is within 30 days of the show

and is accompanied by the appropriate fee. This rule shall in no way affect the reciprocity agreement currently in place with CGS as per rule XII, J.

D. RULES GOVERNING PRESHOW MILKOUT

A preshow milkout is optional. If it is sanctioned, the following rules apply:

L. REPORTS

1. Prior to the date of judging, a triplicate Report of Awards shall be sent by the ADGA office to the Show Secretary.
2. This Report of Awards should be recorded on and completed in its entirety by the show secretary, except for signatures and the judges notations. The information of the breed judged should be completed before the judging of the next breed begins.
3. The Show Secretary shall take all tattoo (or EID) information from the Judge only and as he/she reads it on the animal. The Judge is the only authority on what tattoos (or EID) are on the animal. When a registration or recordation certificate indicates an animal has been re-tattooed (or re-implanted), the Judge may disregard duplication of tattoo (or EID) or of individual letter or numbers of tattoo (or EID) which, in the opinion of the Judge, are the result of re-tattooing (or re-implanting). The judge may disregard the presence of tattoo "E" or "ET" in the LEFT ear or in the tail of an animal where the "E" or "ET" is used to designate the presence of an EID/RFID implant in the goat's ear or tail. Please see Appendix: Electronic Identification, Acceptable Use Policies for conditions of EID use.
4. The owner of the animal is responsible to certify that all information pertaining to his/her animal and to the win is correct on the Report of Awards to the best of his/her knowledge.
5. The Show Secretary and Show Chairperson are responsible to certify that every detail on the Report of Awards is correct to the best of their knowledge.
6. A judge may refuse to sign the Report of Awards. If so, they must call the ADGA office no later than the next working day from the show date and make a full report. Within seven days postmarked from the show date, the judge shall mail a copy of the reason(s) to the ADGA office.
7. The Judge shall certify that all of the tattoos (or EID) on the winning animals are recorded on the Report of Awards exactly as they are on the animals and that all of the Best of Breed were present in the Best in Show class. All tattoo spaces provided shall be filled. If there is no tattoo the judge shall write "none." If the tattoo is illegible, the judge shall write "illegible". If the tattoo is illegible and the animal has an EID, the judge shall write "illegible" and record the EID information in the tattoo blank. If the tattoo(s) (or EID) on the animal does not match the one(s) on the registration or recordation certificate or on the stamped duplicate

application, the judge shall draw a line through the tattoo information (or EID information) on the Report of Awards and write "tattoo incorrect" (or "EID incorrect") in the space above it. Please see Appendix: Electronic Identification, Acceptable Use Policies for conditions of EID use.

8. The Judge, Show Secretary, Show Chairperson, and the winning exhibitors shall sign the Report of Awards. The Judge shall mail one copy to the ADGA office within ten days of the date of judging. If the Report of Awards is not received in the ADGA office, the following procedure will be followed:
 - a. A phone call to the judge at 10 days allowing 5 business days to return the Report of Awards.
 - b. If not received in the ADGA office after 5 business days, the sponsoring organization is to be requested to provide a copy of their copy of the Report of Awards.
 - c. Written notice of pending action (reprimand to Judge) sent Certified Mail Return receipt at 30 days.
 - d. Phone call by the ADGA office at 30 days stating urgent action needed.
 - e. At 45 days notification to the ADGA Judges Committee Chair to send letter of reprimand with a 14 day time period for submission of Report of Award. Failure to do so would result in Judges Committee's recommendation to the Board of Directors for loss of tenure for the Judge.
9. The judge shall read the report of awards before signing it and will be held accountable for those mistakes obvious to him/her such as, but not limited to: spaces left blank, fewer number of senior does than the number of does in milk and dry milkers combined, fewer senior does than milking classes held, etc.
10. No animal shall receive credit for a win unless the information is correctly recorded on the Report of Awards when it is first received by the ADGA office. An animal shall not be shown on more than one ADGA registration or recordation certificate or stamped duplicate application.
11. After the completion of the show, the Report of Awards shall not be added to or changed by anyone, except by proper review and action of the ADGA show committee.
12. If two shows are held concurrently (double ring show) at the same location and judged by two different Judges, the Show Secretary must list the time of the selection of each breed champion.
13. For show purposes only: The owner of the animal on the day it is shown will be accepted by ADGA as the valid owner at that time. This name will prevail regardless of a post-dated transfer.
14. A Best of Breed animal failing to compete in the Best In Show class will forfeit the leg won in that show. The judge will write "Failed to compete in Best in Show" over that breed division on the Report of Awards.
15. If an ADGA sanctioned show is held, the report of awards must be completed and returned to the ADGA office for all breeds originally sanctioned regardless of the number of entries shown in each breed division.

All complaints pertaining to the management of a show, show rules for which interpretation is requested, all imperfect Reports of Awards and cases of questionable legs, but not limited to these, will be sent to the ADGA Office. Within twenty-one (21) days of Respondent's receipt of the complaint from the Shows Committee Chairperson, the Respondent may file and answer to the complaint setting forth any defense to the charges in the complaint or any other matter Respondent believes helpful to the resolution of the complaint. If the complaint is deemed justified by the Shows Committee and supporting action taken by the Board of Directors, the filing fee will be returned to the complaining party. No action will be considered by the ADGA Show Committee unless the case is presented to them within one year of occurrence.
2. All complaints filed by ADGA members, fair officials or the ADGA office pertaining to the ethics and competency of Judges are to be referred to the Judges Committee [postmarked] within ninety days of occurrence. (See Article XIV.G. for additional information.)
