ADGA HAS AUTHORIZED THE USE OF A STAMPED DUPLICATE OF THE REGISTRATION APPLICATION FOR ANIMAL OF ANY AGE

The ADGA Board of Directors has approved the use of stamped duplicates of applications for registration to show an animal of any age through December 31, 2025. This measure is necessary due to the delays in the ADGA computer conversion project. We request all organizations (including state fairs) which hold ADGA sanctioned shows during this time period to accept stamped duplicates as well as Certificates of Registry.

Show Chairpersons and Show Secretaries should accept the stamped duplicates in accordance with this temporary ADGA Show rule change. The Report of Awards should be completed with the word "pending" written in the registration number section if no registration number is shown on the stamped duplicate. All other required information remains the same.
