2025 YTD December 31, 2025 Financial Data Analysis

Net Income
\$179,042

Net income for 2025 currently stands at \$179,042. Please remember **that this is an unaudited figure** and could fluctuate based on the auditor's recommendations.

Below you will find a 7-year comparison, which illustrates recovery from the difficult Covid-19 and software conversion years. 2025 represents a normalization after the recovery.

Having successful years, where we show a profit, allows ADGA to create a financial reserve that provides stability and helps mitigate risk during periods of difficult economic situations. This helps the Association to continue to provide member services without interruption.
